Personal Profile

Technology is my strength. I like to learn and teach others to solve different type of technological problems. However, leadership is in my gen. People love to communicate with me. I can work in a team or alone in well-organized way. Whenever I have assigned for a new challenge, my face gets a big smile. I learn from failure and train myself to be pioneer in my field.

Work Experience

UNICEF | Intern

June 2019 – Present

- Working in “Urban and Local Governance Programme”

NRECA International | GIS Assistant

May 2019 – June 2019

- I was responsible for developing, programming and modifying GIS resources for rural electrification and other infrastructure development activities as needed for a specific project. I have provided support to NRECA core GIS team for Line Survey in different PBSs.

Tiller | Intern

November 2018 – December 2018

- Developed a Socio-Economic Report under the project “Preparation of Payra Kuakata Comprehensive Plan focusing on Eco-Tourism (PKCP)”

ACDI/VOCA | Field Surveyor

Feed the future, livestock and nutrition project

October 2016 – November 2016

- Worked as field surveyor for two week in Khulna, Jessore and Bagerhat
